

# Vision

**Our vision is to see those disconnected from God find life, community and purpose in Jesus.**

We believe that when people find life, community and purpose in Jesus, they are perfectly positioned to find hope, healing and wholeness.

We want to reach those disconnected from God; root people in a living relationship with God; restore people to wholeness through the love of God; and release people into the purposes of God.

We are focused on helping people find both new life and fullness of life in Jesus; genuine, loving community among followers of Jesus; and hope and a future as they discover and pursue their God-given purpose.

We are committed to doing everything we can, short of sin, to accomplish this. Our message and mandate will always remain the same - but the methods we use will adapt as we seek to find the best way to fulfil this call.

# Values

We keep things simple, holding to three core values, which express our heart and priorities:

## **1. Jesus is our message**

We believe the fullness of life we were created to live is found only through Jesus, who gave His own life so that we can know God and find freedom.

*John 10:10*

'I have come that they may have life, and have it to the full.' - Jesus

## **2. People are our passion**

We exist to see people saved, healed, and transformed, finding new life and purpose in community together.

*Ephesians 1:18*

'I pray that the eyes of your heart may be enlightened in order that you may know the hope to which he has called you.' - Paul

## **3. Love is our mandate**

We choose to love God with all our heart, soul, mind, and strength, and to love others as Jesus would.

*John 13:35*

'For when you demonstrate the same love I have for you by loving one another, everyone will know that you are my true followers.' - Jesus

# Culture

We commit to establishing a culture characterized by a five-fold cultural code:

## **1. Community is our pattern**

We do life together, loving each other and looking out for each other.

## **2. Celebration is our posture**

We honour God and one another, celebrating the wins, both big and small.

## **3. Generosity is our privilege**

We are generous in spirit and in deed, believing we can never out-give God.

## **4. Serving is our pleasure**

We give ourselves freely and willingly: no one is too big, no role is too small.

## **5. Faith is our perspective**

We view life through the lens of faith, knowing that God is good and He is for us.
